

**State of California  
AIR RESOURCES BOARD**

**EXECUTIVE ORDER G-10-064**

**Relating to Certification of Portable Fuel Containers, Spouts or Portable  
Fuel Containers and Spouts**

**Blitz, USA, Incorporated**

**Petroleum Product Portable Fuel Containers (PFC): 5.0-gallons for  
gasoline, 5.0-gallons for diesel, and 5.0-gallons for kerosene all with  
ENVIRO-FLO spouts**

WHEREAS, the California Air Resources Board (ARB) has established, pursuant to California Health and Safety Code sections 39600, 39601, 43013, 43018, and 43101, criteria for obtaining certification of a PFC, spout, or a PFC and spout in “CP-501, Certification Procedure for Portable Fuel Containers and Spill-Proof Spouts,” adopted July 26, 2006, incorporated by reference into California Code of Regulations (CCR), title 13, sections 2467.2 and 2467.8;

WHEREAS, “CP-501, Certification Procedure for Portable Fuel Containers and Spill-Proof Spouts,” adopted July 26, 2006, (hereinafter “Certification Procedure”) incorporated by reference into CCR, title 13, sections 2467.2 and 2467.8, requires that an application for certification include the results for each test specified in ARB’s Test Procedure TP-501, Test Procedure for Determining Integrity of Spill-Proof Spouts and Spill-Proof Systems (July 26, 2006), and ARB Test Procedure TP-502, Test Procedure for Determining Diurnal Emissions from Portable Fuel Containers (July 26, 2006);

WHEREAS, section 1, of the Certification Procedure provides that an Executive Order will only be issued for a PFC, spout, or both PFC and spout that demonstrates compliance with all applicable certification requirements;

WHEREAS, section 3, of the Certification Procedure requires an applicant to submit specified information in its application for certification;

WHEREAS, section 5, of the Certification Procedure provides that ARB Executive Officer shall evaluate each application for certification of a spill-proof system or spill-proof spout, to determine if the spill-proof system or spill-proof spout complies with the criteria for issuance of an executive order;

WHEREAS, Blitz, USA, Inc. has submitted an application for certification of the following products to be sold under the brand name BLITZ: These containers will be produced with a different single, as opposed to a multi-layer construction

process, than those currently under production. They will be identical to the currently certified products in all other ways.

Petroleum Product PFC:

5.0-gallons capacity gasoline container (Model Number 5 CX G)

5.0-gallons capacity diesel container (Model Number 5 CX D)

5.0-gallons capacity kerosene (Model Number 5 CX K)

Each with ENVIRO-FLO model spouts: (hereinafter referred to as "Portable Fuel Container system" or "PFC");

WHEREAS, Blitz, USA, Inc. has submitted data generated from each test specified in ARB Test Procedure TP-501, Test Procedure for Determining Integrity of Spill-Proof Spouts and Spill-Proof Systems (July 26, 2006), and ARB Test Procedure TP-502, Test Procedure for Determining Diurnal Emissions from Portable Fuel Containers (July 26, 2006), that demonstrates its PFCs comply with the criteria specified in section 2, of the Certification Procedure;

WHEREAS, Blitz, USA, Inc. has submitted information demonstrating that its PFCs comply with the requirements of American Society for Testing and Materials Standards (ASTM) F-852-99 (March 10, 1999), and ASTM F-976-02 (May 10, 2002);

WHEREAS, Blitz, USA, Inc. has submitted a copy of the warranty language and operating instructions specified in section 2 of the Certification Procedure;

WHEREAS, Blitz, USA, Inc. is not participating in the Optional Consumer Acceptance Program for its PFCs;

WHEREAS, Blitz, USA, Inc. has submitted all of the information specified in section 3 of the Certification Procedure in its application for certification of its PFCs; and

WHEREAS, Blitz, USA, Inc.'s application for certification of its PFCs has been evaluated, and its PFCs have been found to comply with the criteria for the issuance of an executive order.

NOW THEREFORE, pursuant to the authority vested in ARB by sections 39600, 39601, 43013, 43018, and 43101, Health and Safety Code, and pursuant to the authority vested in the undersigned by sections 39515, and 39516, Health and Safety Code, and Executive Order P-07-002.

IT IS ORDERED AND RESOLVED that PFCs produced by Blitz, USA, Inc. as described in its application for certification of said systems are hereby certified to meet the performance standards and administrative requirements applicable to portable fuel containers. Production systems shall be in all material respects the

same as those for which certification is granted and shall meet all the certification requirements except for the optional consumer acceptance program.

IT IS FURTHER ORDERED that Blitz, USA, Inc. must comply with the administrative requirements specified in CCR, title 13, sections 2467.5.

IT IS FURTHER ORDERED that any alteration of the components or design of PFCs certified hereby is prohibited and is inconsistent with this certification, unless said alteration has been approved by the Executive Officer or his designee.

IT IS FURTHER ORDERED that Blitz, USA, Inc. must supply a copy of the warranty language submitted in its application for certification for its PFCs in the packaging of each certified PFC at the time of sale.

IT IS FURTHER ORDERED that Blitz, USA, Inc. must supply a copy of the operating instructions for each PFC as submitted in its application for certification in the packaging of each certified PFC at the time of sale.

IT IS FURTHER ORDERED that Blitz, USA, Inc. must supply any changes to the warranty language or the operating instructions to the Executive Officer for review and approval at least 30 days prior to implementation.

IT IS FURTHER ORDERED that the Executive Officer may enjoin sales, assess penalties, or revoke or modify this certification as provided in CCR, section 2467.9 if the Executive Officer determines that the product available for sale in California does not meet the certification requirements when tested in accordance with the "Certification and Compliance Test Procedures" as provided in CCR, section 2467.9.

Executed at Sacramento, California this 29<sup>th</sup> day of October 2010.
